Short Description
Lucas Lighting L3 Series H4 Headlight or Fog Light LED Kit

Description
Lucas Lighting L3 Series H4 Headlight or Fog Light LED Kit

The gold standard. If you're looking for the brightest aftermarket LED halogen replacement, you have found it with the Lucas L3 series. The L3 series can produce 7x the light output of stock halogen bulbs. When properly installed and aimed, you will have more forward light output than you ever imagined possible, without overpowering oncoming vehicles. The superior Lucas design produces a consistent, sweeping pattern of light with a sharp and large focus point. Those that demand the best choose Lucas Lighting L3 series.

The L3 Series are 7X Brighter than factory bulbs.
