**MPN:** SKS-GLC-253-16-19
**Location:** Cleveland, Ohio

## Price: $1,399.99

**Short Description**

**2016–2019 Mercedes-Benz GLC Class factory-key remote start**, professionally installed for **$1,399.99** in Cleveland, Ohio. **KeylessGo push-to-start only; you must provide a working spare factory key for installation.** Activate using the Panic button or lock-unlock-lock sequence, with temperature-based heated/cooled seat and rear defroster activation on equipped vehicles.

**Description**

MERCEDES-BENZ GLC CLASS • 2016–2019

For KeylessGo push-to-start vehicles. Professionally installed in Cleveland, Ohio.

**Remote start your 2016–2019 Mercedes-Benz GLC Class** with the factory key you already carry. Give the cabin time to warm up during a Cleveland winter or begin cooling before a summer drive, with temperature-based control of compatible factory comfort features.

**KeylessGo Required • Spare Key Required**

**Only for vehicles equipped with KeylessGo push-to-start.** If your GLC Class does not have push-to-start, we currently have no solution for this application.

**You must supply a working spare factory key.** This key is dedicated to the remote start installation and is no longer available as your everyday spare. Please confirm your key and vehicle configuration with us before booking.

### FACTORY KEY CONTROL

Panic button or lock-unlock-lock activation.

### AUTOMATIC COMFORT

Temperature-based heated/cooled seat and defroster activation.

### INSTALLATION INCLUDED

$1,399.99 at our Cleveland shop.

## Designed Around Your Mercedes-Benz

- **Factory-key operation:** Activate remote start using the Panic button or lock-unlock-lock sequence on your existing fob.
- **Heated seats:** Automatically activate compatible OEM heated seats based on a programmable outside-temperature threshold.
- **Cooled seats:** Automatically activate compatible OEM cooled seats based on a programmable outside-temperature threshold.
- **Rear defroster:** Activate automatically at the programmed outside-temperature threshold.
- **Convenient programming:** Steering-wheel controls allow adjustment of supported settings such as run time, comfort-feature temperature thresholds, light flashes and timer start.
- **SmartStart compatible:** Add Directed / Viper SmartStart for cellular smartphone control and supported alarm notifications.

Comfort functions require the corresponding factory equipment. Available controls and notifications depend on the vehicle configuration, installed hardware and selected service

plan. Factory-key range depends on your original remote and surroundings.

## $1,399.99 Installed

Includes the SKS-GLC-253-16-19 system, required harnesses, programming and professional installation. Operates with your existing factory key fob; additional handheld remotes are not included. **A working spare factory key must be supplied by you.**

## Available Smartphone Upgrade

**Directed / Viper SmartStart +$200**

Add cellular smartphone control for virtually unlimited range. Start your vehicle from virtually anywhere in the world with an active service plan, phone internet access and compatible cellular coverage at the vehicle. Supported alarm notifications require compatible installed equipment. Cellular service is separate from the installed package. Ask to add SmartStart when booking.

## Installation & Warranty

Professionally installed, programmed and tested at **Access 1 Alarm & Audio, 10418 Lorain Ave, Cleveland, OH 44111**. Includes a **5-year system warranty** and installation labor coverage **for as long as you own the vehicle**. Existing factory keys, optional cellular hardware and cellular services have separate coverage and terms.

## Mercedes-Benz mbrace Discontinued? Choose Aftermarket SmartStart Control.

Mercedes-Benz ended mbrace connected vehicle services on December 31, 2025. Add Viper SmartStart for $200, or choose our SmartStart-equipped package, for independent aftermarket cellular remote-start control.

SmartStart uses its own hardware and service plan; it does not reactivate mbrace or replace every factory connected service, including emergency-call functions. KeylessGo, a working spare key, phone internet access and compatible vehicle cellular coverage are required.

Read Mercedes-Benz’s mbrace discontinuation notice.

## Frequently Asked Questions

### Can SmartStart provide remote start after the Mercedes-Benz mbrace shutdown?

With the optional $200 SmartStart upgrade. Yes, on compatible vehicles. Viper SmartStart is an independent aftermarket cellular remote-start option, not a reactivation of mbrace. Mercedes-Benz ended mbrace connected vehicle services on December 31, 2025. SmartStart requires compatible installed hardware, an active service plan, phone internet access and vehicle cellular coverage. It does not replace every mbrace feature, including factory emergency-call services. This application requires KeylessGo push-to-start and a customer-supplied working spare key.

### Will this work with my 2016-2019 GLC Class?

This package is for compatible 2016-2019 Mercedes-Benz GLC Class vehicles equipped with KeylessGo push-to-start. We confirm your exact vehicle, factory equipment and key compatibility before scheduling.

### What if my vehicle does not have push-to-start?

There is currently no solution available from us for this application without KeylessGo push-to-start. This package cannot be installed on a conventional keyed-start vehicle.

### Do I need to give up a spare key?

Yes. You must supply a working spare factory key for the installation. That key is dedicated to the remote start installation and will no longer be available as your everyday spare.

### How do I activate remote start?

Use the Panic button or the lock-unlock-lock sequence on your factory key fob. We demonstrate the configured activation procedure at pickup. Factory-key range depends on the original remote and surroundings.

### Can it activate my heated or cooled seats?

Yes, on vehicles equipped with compatible OEM heated or cooled seats. Heated seats, cooled seats and the rear defroster can activate according to programmable outside-temperature thresholds.

### Can I control it from my phone?

Optional Directed / Viper SmartStart smartphone control is available for an additional $200. An active service plan, phone internet access and compatible cellular coverage at the vehicle are required.

### Does $1,399.99 include installation?

Yes. It includes the SKS-GLC-253-16-19 remote start system, required installation harnesses, programming and professional installation at Access 1 Alarm & Audio in Cleveland, Ohio. You must provide a working spare factory key.

### What warranty is included?

The remote start system has a 5-year warranty, with installation labor covered for as long as you own the vehicle. Your existing factory keys and optional cellular hardware or service have separate coverage and terms.

Call to confirm your **2016–2019 Mercedes-Benz GLC Class KeylessGo** configuration and spare-key requirements, then schedule installation at **10418 Lorain Ave, Cleveland, OH 44111.**

**Warranty**

## SKS-GLC-253-16-19 System & Installation Warranty

**5-year system warranty:** Covers the installed remote start system.

**Labor for as long as you own the vehicle:** Installation labor coverage is provided by Access 1 Alarm & Audio for the original customer while they own the vehicle.

This installation requires a customer-supplied working spare factory key. Existing factory keys are not supplied or covered as new remote controls by this package. Optional SmartStart cellular hardware and service have separate warranty and subscription terms.

For service, call (216) 252-3000 with your purchase information.
