Leather Viper 7652V Case

Description

Leather Remote Control Case For Viper 7652V LCD Remote Control

Your remote control is worth over \$100 and what better way to protect it than with a quality leather case from Access 1 Alarm & Audio!

Our leather cases are proudly made in the USA and are designed to fit your remote control with perfection. Each case is made from genuine cow hide, stitched with high tensile strength nylon thread and utilizes soft clear PVC plastic to protect the screen and buttons.

This leather case features:

- Clear plastic protection for the screen and buttons.
- Raised leather edges to protect the sides of the remote.
- High quality button snap to allow for easy removal and cleaning.
- Thick leather to provide shock and impact protection.

This listing does NOT include the remote control if shown in the images, it was

used as a static display to demonstrate what the case would look like with a remote control. We do however have a variety of remote controls and leather cases available in our store.
