Short Description

2005–2011 Mercedes-Benz G Class factory-key remote start — $999.99 professionally installed in Cleveland. Activate with one press of the factory Panic button, with a programmable run time and plug-and-play installation. Optional SmartStart smartphone control is available for an additional $200.

Description

MERCEDES-BENZ G CLASS • 2005–2011

Professionally installed at Access 1 Alarm & Audio in Cleveland, Ohio.

Remote start your 2005–2011 Mercedes-Benz G Class or AMG using the factory key you already carry. Give the cabin time to warm up or begin cooling before your drive.

Confirm your vehicle before booking. We check your exact model, ignition and factory equipment to confirm compatibility and installation requirements.

FACTORY KEY CONTROL

One press of the Panic button activates remote start.

PROGRAMMABLE RUN TIME

20-minute operation with programmable run-time settings.

INSTALLATION INCLUDED

$999.99 at our Cleveland shop.

Designed Around Your Mercedes-Benz

- Start and stop the remote start system with your existing factory key.
- Vehicle-specific plug-and-play installation with no wires cut.
- Programmable run time, configured and demonstrated at installation.
- Viper SmartStart compatible for optional cellular smartphone control.

Factory-key range depends on the original remote and surroundings. See the Specification tab for the existing vehicle-function details.

$999.99 Installed

Includes the SKS-G-463 system, required installation harnesses and professional installation. Operates with your existing factory key fob; additional handheld remotes are not included.

Available Smartphone Upgrade

Directed / Viper VSM550 Pro SmartStart +$200

Add cellular smartphone control beyond factory-key range. An active service plan, phone internet access and compatible cellular coverage at the vehicle are required. **SmartStart service is separate from hardware and installation.** Ask us about current plans, activation eligibility and qualifying roadside-assistance benefits when booking;

registration and plan terms apply.

Installation & Warranty

Professionally installed and tested at **Access 1 Alarm & Audio, 10418 Lorain Ave, Cleveland, OH 44111**. Includes a **5-year system warranty** and installation labor coverage **for as long as the original purchaser owns the vehicle**. The optional **VSM550 Pro interface has a 1-year warranty**. Existing factory keys are not supplied or covered as new remote controls. Cellular services have separate terms.

Frequently Asked Questions

How do I activate remote start?

Press the Panic button once on your factory key fob. We demonstrate start, stop and takeover operation at pickup. Factory-key range depends on your original remote and surroundings.

How long will the vehicle run?

The existing configuration provides a 20-minute run time. Run time is programmable; we confirm the settings during installation.

Does $999.99 include installation?

Yes. The price includes the SKS-G-463 system, required installation harnesses and professional installation at Access 1 Alarm & Audio in Cleveland. Additional handheld remotes and the optional SmartStart interface are separate.

Can I add smartphone control?

Yes. Add the Directed / Viper VSM550 Pro SmartStart interface for $200. Active service, phone internet access and compatible cellular coverage at the vehicle are required. Service is separate from hardware and installation.

Will this fit my G Class?

This package is listed for compatible 2005–2011 Mercedes-Benz G Class and AMG vehicles. Contact us to confirm your exact model, ignition and factory equipment before booking.

What warranty is included?

The remote start system has a 5-year warranty. Installation labor is covered for as long as the original purchaser owns the vehicle. The optional VSM550 Pro interface has a 1-year warranty. Existing factory keys are not covered as new remotes.

Confirm your G Class configuration and schedule professional installation.
