Short Description

2016–2024 Mercedes-Benz Metris remote start. $1,799.99 professionally installed in Cleveland. Works with your factory key fob. **You must give up a working spare factory key; professional ignition-switch modification is required.** Includes OEM-style alarm functionality and programmable activation of compatible factory heated/cooled seats and rear defroster. Optional SmartStart smartphone control +$200.

Description

MERCEDES-BENZ METRIS • 2016-2024

Factory-key convenience. Professionally installed in Cleveland, Ohio.

Remote start your 2016-2024 Mercedes-Benz Metris with the factory key you already carry. Give the cabin time to warm up during a Cleveland winter or begin cooling before a summer drive, with temperature-based control of compatible factory comfort features.

Spare Key & Ignition-Switch Modification Required

You must supply a working spare factory key that will be given up and dedicated to the

remote start installation. **Professional ignition-switch modification is required.** Confirm your vehicle, key and installation arrangements with us before booking.

FACTORY KEY CONTROL Panic button or lock-unlock-lock activation.
AUTOMATIC COMFORT Programmable heated/cooled seat and rear defroster activation.
INSTALLATION INCLUDED $1,799.99 at our Cleveland shop.

Designed Around Your Mercedes-Benz

- **Factory-key operation:** Works with your original factory key fob using the Panic button or lock-unlock-lock sequence.
- **OEM-style alarm included:** Basic alarm functionality requires no additional alarm hardware. Optional shock, tilt and vehicle-movement sensing can be added with compatible sensor hardware; ask us to confirm the configuration.
- **Heated and cooled seats:** Automatically activate compatible factory heated or cooled seats at programmable outside-temperature thresholds.
- **Rear defroster:** Automatically activates at a programmable outside-temperature threshold.
- **Steering-wheel programming:** Adjust supported run time, number of starts, heated/cooled-seat and rear-defroster temperature thresholds, light flashes and timer-start settings from the steering-wheel controls. Sensor sensitivity adjustments require a compatible optional sensor.
- **Vehicle integration:** A vehicle-specific solution designed to integrate with the factory electronics.
- **Directed / Viper SmartStart compatible:** Add smartphone control for $200. Supported controls and notifications depend on installed hardware, vehicle configuration and service plan.

Comfort functions require the corresponding factory equipment. Available controls and

notifications depend on the vehicle configuration, installed hardware and selected service plan. Factory-key range depends on your original remote and surroundings.

$1,799.99 Installed

Includes the SKS-METRIS-447 system, required harnesses, programming and professional installation. Operates with your existing factory key fob; additional handheld remotes are not included. **A working spare factory key must be supplied and given up for the installation. Professional ignition-switch modification is required.**

Available Smartphone Upgrade

Directed / Viper SmartStart +$200

Add cellular smartphone control for virtually unlimited range. Start your vehicle from virtually anywhere in the world with an active service plan, phone internet access and compatible cellular coverage at the vehicle. Available smartphone features include start/stop, lock/unlock, vehicle status, GPS location and alarm notifications, depending on vehicle equipment, interface and plan. Optional anti-theft/anti-carjacking immobilization requires compatible hardware and active SmartStart service; ask us to confirm operation and limitations for your vehicle. Cellular service is separate from the installed package. Ask to add SmartStart when booking.

Installation & Warranty

Professionally installed, programmed and tested at **Access 1 Alarm & Audio, 10418 Lorain Ave, Cleveland, OH 44111**. Includes a **5-year system warranty** and installation labor coverage **for as long as you own the vehicle**. Existing factory keys, optional cellular hardware and cellular services have separate coverage and terms.

Frequently Asked Questions

Do I need to give up a spare key?

Yes. You must supply a working spare factory key that is given up and dedicated to the remote start installation. Professional ignition-switch modification is also required.

How do I activate remote start?

Use the Panic button or lock-unlock-lock sequence on your existing factory key fob. We demonstrate the configured operation at pickup. Range depends on the original remote and surroundings.

Is an alarm included?

Yes. OEM-style alarm functionality is included without additional alarm hardware. Optional shock, tilt and vehicle-movement sensing requires compatible additional sensor hardware.

How do the comfort features activate?

Compatible factory heated seats, cooled seats and rear defroster activate at programmable outside-temperature thresholds. Your vehicle must have the corresponding factory equipment.

What can I adjust from the steering wheel?

Supported settings include run time, number of starts, heated/cooled-seat and rear-defroster temperature thresholds, light flashes and timer start. Sensor sensitivity adjustment requires compatible optional sensor hardware.

Can I use my smartphone?

Directed / Viper SmartStart is available for an additional $200. Cellular service is separate; an active plan, phone internet access and compatible vehicle cellular coverage are required.

What does the installed price include?

The SKS-METRIS-447 remote start system, required harnesses, programming and professional installation at Access 1 Alarm & Audio in Cleveland are included. You must provide the spare key; ignition-switch modification is required.

What warranty is included?

The remote start system has a 5-year warranty. Installation labor is covered for as long as the original purchaser owns the vehicle. Existing factory keys and optional cellular hardware or service have separate coverage and terms.

Call to confirm your **2016-2024 Mercedes-Benz Metris** compatibility, then schedule installation at **10418 Lorain Ave, Cleveland, OH 44111.**
