

Alpine SS-SB10 10" S-Series Loaded Shallow Subwoofer Enclosure

Brand: Alpine Car Audio

Product Code: SS-SB10

Availability: In Stock

UPC: 793276084477

MPN: SS-SB10

Location: Cleveland, Ohio

Price: \$449.99

Short Description

With an ultra-shallow enclosure design and powerful sound output, the 10" S-Series Shallow Preloaded Subwoofer Enclosures give you the best of both worlds in size and sound.

Description

With an ultra-shallow enclosure design and powerful sound output, the 10" S-Series Shallow Preloaded Subwoofer Enclosures give you the best of both worlds in size and sound.

Features

- Preloaded 10" Shallow Subwoofer
- Optimal Sealed Cabinet Quality
- Neodymium Magnet
- Front-Mounted Neodymium Magnet
- Rugged Polymer Enclosure Cabinet
- Adjustable, foam-padded mounting brackets for flexible installation and reduced vibration
- Single 2 Ohm Voice Coil for a 2 Ohm load
- Brushed Aluminum Finished Metallic Front Baffle

- Premium Alpine Wire Terminals
- 300 Watts RMS / 900 Watts Peak

Space Saving Design

Alpine's 10" S-Series Shallow Preloaded Subwoofer Enclosure measures at a minimal 4.5" deep to deliver clean and reliable bass performance in most vehicle applications.

Powerful Performance

The SS-SB10 features a 2" voice coil inside of a lightweight yet powerful neodymium magnet for up to 300W RMS of power handling. This combined with a front-mounted magnet motor allows the enclosure to have an extremely shallow footprint while maintaining powerful bass performance.

Precise Bass Control

Alpine's Gen2 DD-Linear Magnetic Circuit technology, a compact and efficient dual-gap voice coil structure, allows for better control over the motor, resulting in 22mm of peak-to-peak linear excursion for maximized output.

Adjustable Mounting Options

Four adjustable, foam-padded steel mounting brackets allow for flexible installation in many areas and vehicle types, while the foam reduces vibration during play for optimized performance.

Specification

Loaded Enclosure Specs	
Brand	Alpine
Woofer Size	10"
Woofer Quantity	1
Woofer Material	Carbon Fiber / Poly Propylene
Enclosure Type	Sealed
Enclosure Color	Black With Silver Highlights
Enclosure Width	18"
Enclosure Height	4.5"
Enclosure Depth	13"
Power Handling RMS	300W / 900W MAX
Frequency Response	35Hz-200Hz
Final Impedance	2 ohm
System Type	Single 10" Loaded Shallow Enclosure
Powered	No
