Short Description

2018+ Wrangler JL and 20+ Gladiator 9" Premium Chasing LED Headlight Kit

Description

9" Premium Chasing LED Headlight Kit For The 2018+ Wrangler JL and 20+ Gladiator Vehicles

This kit makes it easy to upgrade to Chasing LED headlights. Included are a pair of 9" premium chasing LED headlights and a Pro Controller. The durable polycarbonate lens cover makes this an ideal solution for adventurous Jeep owners. This kit offers more than 170 pre-programmed modes for patterns with 16 million different colors. The Pro Controller has two wireless control options; an included remote control or a free app for a smartphone or tablet, allowing users to change colors, sync to music, and more. This lighting set also works with our other Chasing RGB lighting products, allowing an entire system to use the same app and remote.
