## INTUITIVE INTERFACE

The iLX-W770 boasts a vibrant 7-inch double-DIN touchscreen display with an easy-to-use interface to ensure seamless integration into your vehicle's dashboard. Whether you're navigating, selecting your favorite tunes, or engaging with apps, the intuitive interface makes every interaction simple and quick.

---

## ENHANCED AUDIO & AMBIANCE

Enhance your music with the new Sound Boost menu, featuring expanded Bass Boost & Mid-Bass Boost controls, subwoofer controls, and a new Lighting Link feature which allows you to control the lighting on Alpine's PrismaLink™ subwoofer enclosures directly from your screen, creating a visual symphony that complements your music.

---

## WIRELESS SMARTPHONE INTEGRATION

Stay connected effortlessly with WIRELESS Apple CarPlay® and Android Auto™ compatibility. Access your favorite apps, receive calls, send texts, and enjoy music, all while keeping your focus on the road. The iLX-W770 brings the power of your smartphone to your car's display.

---

## FINE TUNE YOUR SOUND

Unleash the full potential of your music with the 13-band graphic EQ, 6-channel time correction, and versatile crossovers for the front speakers, rear speakers, and subwoofer. The iLX-W770 gives you the tools to fine-tune your sound to perfection.

---

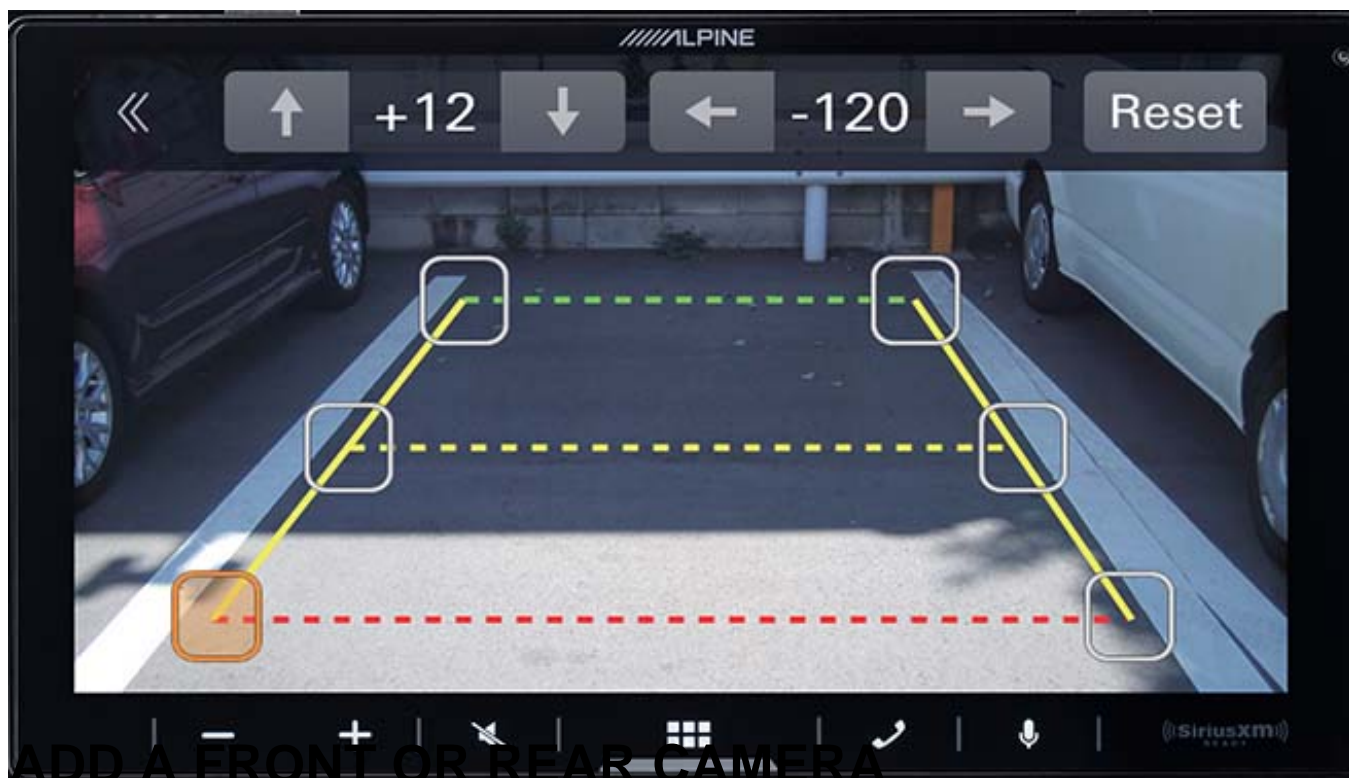

## POWERSTACK CAPABLE

Measuring only 2.4" deep, the iLX-W670 features an ultra-shallow chassis that is PowerStack™ capable, allowing you to mount the Alpine KTA-450 or KTA-200M Power Pack Amplifiers (sold separately) directly to the back. This award-winning design allows you to add more power to your sound system while occupying the same depth as a traditional 2-DIN radio.

---

With an integrated camera input, the Alpine iLX-W770 allows you to add a front or rear-view camera to your vehicle making parking and maneuvering in tight spaces a breeze.
