Short Description

INSTALLED* Basic Power Lumbar Support 3-Position Switch

Description

Cruise in comfort! With a power Lumbar Support System, you can set the amount of lower back muscle support you need for your individual comfort while driving. Tucked away inside the driver or passenger seat, the Lumbar Support System provides the precise amount of extra lumbar support to your lower back, decreasing lumbar strain at your command. With just the touch of a finger, the seat or console-mounted switch activates a pneumatic motor filling the bladder within the seat. Make every drive a comfortable drive.

- Small 3-position control switch.
- Single Airbag bladder
- Sound-dampening pouch minimizes pump noise
- Harness with locking connectors and protective sleeve.
- 3-year/36,000 mile warranty

INSTALLED* most vehicles. Yes - not all vehicles are made the same so some might require more labor or a different system. Give us a call to confirm pricing.
