Short Description

Viper LCD 2-Way Remote

Description

Brand NEW Viper 7701V Responder SST LCD 2-way 1-Mile Range Remote Control Transmitter

Looking for a replacement Viper remote control for your system or just need an additional remote control? Buy brand new from Access 1 Alarm and Audio!

This remote control is from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Viper system. The 7701V remote works with many Viper, Python and Clifford systems and is the first of the SST 1-mile 2-way LCD remote controls from Viper

Works with the following Viper systems:

- Viper 5500 / 4301V
- Viper 5900 / 5301V

Will also work with the following Clifford Matrix and Python systems

- Clifford Matrix 20.5X / 4301X

- Clifford Matrix 50.5X / 5301X

- Python 950 / 4301P
- Python 990 / 5301P

This remote control does include the battery which is wrapped in plastic inside the remote control. Please remove the plastic off the battery and re-insert into the remote control. Includes the belt clip.

NOTE: Consider purchasing with a leather case to help protect your remote control from accidental drops. View our Leather Cases in the store or add the leather case to your order in the above ordering options.

Please make sure you have a working control unit installed in the vehicle prior to ordering this remote control. Programming instructions are included in the package and will require accessing your valet/programming switch. Video instructions will be available on our YouTube page under remote controls.
