Looking for a replacement Clifford remote control for your system or just need an additional remote control? Buy brand new from Access 1 Alarm and Audio!

NEW Automate 7756A for the DISCONTINUED Clifford 7756X 2-way LCD 1-mile remote control. This replaces Clifford's newest style of LCD 2-way remote control that was the standard remote for Clifford's premium DS3, DS3+, DS4, DS4+, 3706X security system, 4706X remote start system or the 5706X remote start system with security. Further, it is the 2-way LCD upgrade for the 3606X, 4606X and 5606X Clifford systems. Included in this listing is the USB charging cable and remote control manual. Do you have the comparable Python and Viper systems? You can replace those remotes with this Automate remote control. Reference the application table below.

These remote controls are from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Clifford system. This is Automate's newest generation of Responder remote controls equipped with the new Priority icons with the text seen on a 20% larger LCD screen. The 7756A, exactly like the 7756X remote control, has a built in lithium-ion rechargeable battery with micro-USB charging - all in the slimmest display remote control on the market. This remote works with many Viper, Python, Automate and Clifford systems
