AstroStart LCD 2-Way Remote Control

### **Description**

Brand NEW AstroStart 5325D-TX Responder LC3 SST Supercode 2-Way LCD With 1-Mile Range Remote Control Transmitter.

The AstroStart 5325D-TX 2-way LCD 1-mile remote control is AstroStart's newest style of LCD 2-way remote control and is the standard remote for AstroStart's premium DS3, DS3+, DS4+, or the RSS-5325 remote start system. Do you have the comparable Clifford, Python or Viper systems? You can replace those remotes with this AstroStart remote control. Reference the application table below.

Are you just looking for a replacement AstroStart remote control for your system or maybe you just an additional remote control? Buy brand new from Access 1 Alarm and Audio!

Why buy from us? Well, we are the experts that only believe in perfection, from the quality of our images to the accurate description in each and every listing.

These remote controls are from the original manufacturer ensuring that you are receiving a genuine NEW product made for your AstroStart system. This is

AstroStart's newest generation of Responder remote controls equipped with the new Priority icons with the text seen on a 20% larger LCD screen. The 5325D-TX remote control has a built in lithium-ion rechargeable battery with micro-USB charging - all in the slimmest display remote control on the market. This remote works with many Viper, Python and Clifford systems
