Short Description

Automate LED 2-Way Remote Control

Description

Brand NEW Automate 7857A Responder SST Supercode 2-Way LED With 1-Mile Range Remote Control Transmitter.

The Automate 7857A 2-way LED 1-mile remote control is Automate's newest style of LED 2-way remote control and is the standard remote for Automate's premium DS3, DS3+, DS4, DS4+, or the 4806A remote start system. Further, it is the 2-way LED upgrade for the 4606A and 4616A Automate systems. Do you have the comparable Clifford, Python or Viper systems? You can replace those remotes with this Automate remote control. Reference the application table below.

Are you just looking for a replacement Automate remote control for your system or maybe you just an additional remote control? Buy brand new from Access 1 Alarm and Audio!

Why buy from us? Well, we are the experts that only believe in perfection, from the quality of our images to the accurate description in each and every listing.

This remote control is from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Automate system. The 7857A remote control has a

built in lithium-ion rechargeable battery with micro-USB charging - all in the slimmest display remote control on the market. This remote works with many Viper, Python and Clifford systems
