- GSRF-5603BC

Will work with the following Brands

- AutoStart
- Command Start
- Generic Start
- Nordic Start
- Orbit
- Polar Start
- Premier Defense
- Xtreme

Programming Instructions

Programming:

- Press and hold the hood pin for 4 seconds.
- Release the hood pin (the parking lights will turn ON).
- While the parking lights are on, press the hood pin once more and release immediately.
- You now have 20 seconds to select one of the sub-menus.
- Before the lights go out, turn the ignition key to the ON (RUN) position
- When the lights are off, turn the key to the OFF position.
- Press and hold the or button until the parking lights flash 5 times quickly and the siren chirps twice. The transmitter has been stored in memory.
- To exit: Close the hood.
