Description

Wireless Apple CarPlay & Android Auto for Land Rover & Range Rover

Add modern **wireless Apple CarPlay and wireless Android Auto** to select Land Rover and Range Rover factory infotainment systems **without replacing the original radio or factory screen**.

This fully integrated upgrade retains the clean factory appearance of your interior while

adding the smartphone connectivity found in much newer vehicles.

LAND ROVER CARPLAY UPGRADE **$699.99** Product Only

PROFESSIONALLY INSTALLED **$899.99** Installed by Access 1 Alarm & Audio

Warranty: Includes a **1-Year Warranty**. Upgrade to a **3-Year Warranty for only $100 additional**.

WIRELESS APPLE CARPLAY Connect a compatible iPhone without plugging it in

WIRELESS ANDROID AUTO Android Auto connectivity for compatible smartphones

FACTORY INTEGRATION Designed to work through the original infotainment system

OEM APPEARANCE No aftermarket screen mounted on your dashboard

Upgrade Your Factory Land Rover Screen With Apple CarPlay

Love your Land Rover but wish it had the technology of a newer vehicle? You don't have to replace the factory radio or mount an aftermarket display on the dashboard just to get Apple CarPlay or Android Auto.

Our Land Rover smartphone integration upgrade adds modern connectivity while

maintaining the original appearance and functionality of the vehicle's factory infotainment system.

Once connected, compatible smartphones give you convenient access to navigation, music, messages, phone functions and supported apps directly through the vehicle's infotainment system.

Land Rover Apple CarPlay & Android Auto Features

- **Wireless Apple CarPlay** for compatible iPhones
- **Wireless Android Auto** for compatible Android smartphones
- Wired smartphone connectivity is also supported when desired
- Integrates into the vehicle's **factory infotainment system**
- Designed to retain use of the vehicle's **factory controls**
- Uses the vehicle's **factory microphone** for compatible functions
- Preserves high-quality audio without using an FM modulator
- No separate aftermarket screen mounted to the dashboard
- No cigarette-lighter-powered universal CarPlay adapter
- Interface is concealed for a clean **factory-style installation**

> **Your Favorite Apps on Your Land Rover's Factory System:** Use compatible Apple CarPlay and Android Auto applications including Apple Maps, Google Maps, Waze, Spotify, music, messages, phone functions and other supported smartphone apps.

Land Rover & Range Rover Apple CarPlay Compatibility

This upgrade is designed for select **2012–2016 Land Rover and Range Rover vehicles**

equipped with the compatible factory infotainment system and OEM navigation.

Vehicle	Compatible Years
Land Rover Discovery 4	2012–2016
Land Rover LR4	2012–2016
Land Rover LR2 / Freelander 2	2012–2016
Range Rover Sport	2012–2016
Range Rover Evoque	2012–2016
Range Rover / Range Rover Vogue	2012–2016
Land Rover Discovery Sport	2015–2016

IMPORTANT: Land Rover and Range Rover infotainment configurations can vary by model, year and factory equipment. Your vehicle's factory system should be verified for compatibility before ordering or scheduling installation. Contact Access 1 Alarm & Audio and we can help confirm your application.

Warranty Options

This Land Rover Apple CarPlay and Android Auto upgrade includes a **1-Year**

Warranty. For customers who plan to keep their vehicle longer, an optional **3-Year Warranty is available for an additional $100**.

Professionally Integrated by Access 1 Alarm & Audio

Access 1 Alarm & Audio has served Cleveland and Northeast Ohio for over 20 years. We specialize in integrating modern electronics into vehicles while maintaining the appearance and functionality of the original factory system.

If you're unsure whether your Land Rover or Range Rover qualifies for this upgrade, contact us with your vehicle's year, model and factory infotainment configuration before ordering.

> **Land Rover or Range Rover without factory CarPlay?** Upgrade the vehicle you already own with wireless Apple CarPlay and Android Auto while keeping the original factory infotainment system.
