Price: \$449.99

Short Description

Start your engine from up to a 1-mile away with this Digital Clifford LED remote start system. This system includes a 5-button 2-way LED remote and a 1-way companion remote.

Description

Remote start your vehicle from 1-mile away with the addition of this 2-way LED Clifford remote start system. Your vehicle will operate just like factory but with the added feature of remote start! This system comes standard with a single 2-way 1-mile range 5-button remote control that has a rechargeable battery and a 1-way 1/2-mile companion remote control.

Key Features:

- 1-mile range
- Bright blue status LED
- Bluetooth smartphone control
- Single 2-Way LED 1-mile remote control WITH rechargeable battery
- USB charging cable
- Single 1-Way 1/2-mile remote control

- Includes basic bypass module
- SmartStart Compatible
- Expandable to security without changing the whole system
- Vehicle specific harnesses made to interface with the vehicle without cutting or splicing wires are available and priced separately

Includes:

- All Required Harnesses for Installation
- Professional Installation*
- Lifetime warranty; 1-year remote control warranty

***The fine print: Not all vehicles are build the same and in some instances extra parts or labor might be required to install this system, such as; hood pins, data interfaces, relays, etc... Some vehicles might even require a completely different system or aren't supported.**

Our Warranty

Access 1 Alarm & Audio provides to the ORIGINAL owner a lifetime warranty on the installed system and includes the Control Module (brain), Antenna, Program Switch. LED and labor.

- NOTE: The lifetime warranty DOES NOT include remote controls, which are covered by a 1-year warranty against defects.
- NOTE: Disconnecting or modifying the wiring by anyone other than Access 1 Alarm & Audio VOIDS the warranty.
- NOTE: If technology moves on and your system is obsolete due to the country's infrastructure progressing, we can't warranty the system. As what happened with the 2G cellular network.
