Location: Cleveland

Price: \$399.99

Short Description

Premium Viper 2-way LED vehicle security system. This premium Viper system is what your vehicle needs for protection and is equipped with a shock sensor and starter interrupt.

Description

This state-of-the-art Responder LED 2-way Security system will wrap your vehicle in protection, with the most sophisticated electronic technologies available today, including the Stinger® DoubleGuard® shock sensor, Revenger® six-tone siren and Failsafe® Starter Kill. The system also offers in-demand convenience features like keyless entry.

The included 2-way remote will confirm your commands virtually instantly on the large LED screen of the remote. Rock solid 1 mile range and performance will let you know the status of your vehicle. This system will page you if your alarm system is going off.

Key Features:

- Pages you via the remote control if the alarm system was tripped
- Proprietary User interface on a large LCD display
- Rechargeable lithium-ion battery
- Data port for the highest level of connectivity with digital interfaces for

new vehicles

- Control Center with integrated valet switch and bright blue status LED
- SuperCode™ Technology for long reliable 1 mile range
- Auto Re-Arm. If you lock your vehicle and do not enter the system will rearm itself
- Ground when armed sensor port for additional sensors
- Flex Relay for dome light, horn, or trunk release operation
- Upgradable remote start capability with 4003L.
- SmartStart™ Compatible

Includes:

- One 2-way Responder LC remote (7857V)
- One 1-way companion remote (7656V)
- Control Center with integrated LED/VALET Switch
- Revenger® 6 Tone Siren
- All Required Harnesses for Installation

***The fine print: Not all vehicles are built the same and in some instances extra parts or labor might be required to install this system, such as; hood pins, data interfaces, relays, etc... Some vehicles might even require a completely different system or aren't supported.**

Our Warranty

Access 1 Alarm & Audio provides to the ORIGINAL owner a lifetime warranty on the installed system and includes the Control Module (brain), Antenna, Program Switch. LED and labor.

- NOTE: The lifetime warranty DOES NOT include remote controls, which are covered by a 1-year warranty against defects.
- NOTE: Disconnecting or modifying the wiring by anyone other than

Access 1 Alarm & Audio VOIDS the warranty.

- NOTE: If technology moves on and your system is obsolete due to the country's infrastructure progressing, we can't warranty the system. As what happened with the 2G cellular network.
