

# Alpine S2-S80C 2-Way Components

**Brand:** Alpine Car Audio

**Product Code:** S2-S80C

**Availability:** 1

**UPC:** 793276085078

**EAN:** 4958043505623

**MPN:** S2-S80C

**Location:** Cleveland, Ohio

**Price:** ~~\$239.95~~ \$191.95

## Short Description

Newly redesigned and Hi-Res Audio Certified, the Next-Generation S-Series S2-S80C 8" Component Speakers offer a new standard in entry-level sound performance.

## Description

Newly redesigned and Hi-Res Audio Certified, the Next-Generation S-Series S2-S80C 8" Component Speakers offer a new standard in entry-level sound performance.

## Features

- Hi-Res Audio Certified
- Poly Propylene, Glass Fiber, and Mica Cone Material
- Lightweight Design with High Output and Low Distortion
- High-Amplitude Multi-Roll (H.A.M.R.) Surround
- Included 1" Adjustable Tweeters with Threaded Removable Housing
- OEM Fitment with In-Line Crossovers

## **HI-RES CERTIFIED**

Using “trickle-down” technology, inspired design, and performance cues from the Ultra-High-Resolution Alpine F#1Status system, the Next-Generation Alpine S-Series Speakers are now Hi-Res Audio Certified and able to reproduce up to 40kHz frequency response. This new benchmark in sound quality elevates the Next-Gen S-Series Speakers resulting in a more accurate and natural sound at an entry-level price point.

## **Clean, Accurate Audio**

Crafted with a unique combination of Poly Propylene, Glass Fiber, and Mica Cone materials, the S2-S80C is designed for lightweight construction, high output, and low distortion, giving you a clean and accurate audio experience.

## **HAMR Surround**

Alpine-exclusive High Amplitude Multi-Roll (HAMR) surround technology is integrated into the speaker design which allows for maximum cone movement, delivering powerful and accurate bass notes.

## Simplified Installation

Engineered for versatility, these speakers offer seamless OEM fitment and simplified installation. With in-line crossovers, you can achieve optimal sound separation and precise tuning. The adjustable tweeters feature a flush mount housing that is removable allowing for installations in small OEM tweeter locations.
