

Alpine S2-W8D4 8" Subwoofer

Brand: Alpine Car Audio

Product Code: S2-W8D4

Availability: 4

UPC: 793276085269

MPN: S2-W8D4

Location: Cleveland, Ohio

Price: \$169.95

Short Description

Add extra punch to your sound system with the S-Series S2-W8D4 8" Subwoofer; now redesigned for powerful and reliable bass performance at an approachable price point.

Description

Add extra punch to your sound system with the S-Series S2-W8D4 8" Subwoofer; now redesigned for powerful and reliable bass performance at an approachable price point.

Features

- Dual Voice Coil (DVC) Subwoofers with Configuration Jumpers
- Carbon Fiber / Poly Propylene Cone
- Poly Propylene / Ceramic Dust Cap
- Twist-Lock Grille Mount System
- High-Amplitude Multi-Roll (H.A.M.R.) Surround
- High-Grade Strontium Ferrite Magnets
- 600W RMS / 1800W MAX

PERFORMANCE & VALUE

With an impressive power handling of 600W RMS and a peak power handling of 1800W, the Next-Gen 10" S-Series Subwoofers deliver outstanding performance value. Boasting a wide frequency response range of 25Hz to 215Hz and a sensitivity of 85dB (1W/1m), these subs ensure powerful and accurate bass reproduction across a diverse range of music genres.

Featuring the lightweight yet sturdy combination of carbon fiber and polypropylene, the Next-Gen S-Series Subwoofer cone delivers deep, low-distortion bass that enhances the depth and richness of your music.

HAMR Surround

The Next-Generation S-Series Subwoofers contain Alpine's High Amplitude Multi-Roll (H.A.M.R.) Surround Technology. This rubber surround allows the subwoofer cone to efficiently move air while staying cool. This technology allows for 15mm of one-way excursion that creates incredible accuracy from the subwoofer.

Flexible Application

A Dual Voice Coil (DVC) with easy configuration jumpers make installing the S-Series subwoofers a breeze. A new twist-lock grille mounting system makes it easy to install and remove an optional grille without mounting screws for added protection to the cone.

Specification

| Subwoofers | |
|--------------------------------|-------------------------------|
| Subwoofer Brand | Alpine |
| Subwoofer Size | 8" |
| Power Handling RMS/MAX | 300W / 900W |
| Number of Voicecoils | Dual 4 ohm |
| Final Subwoofer Impedance | 2 or 8 ohm |
| Subwoofer Cone Material | Carbon Fiber / Poly Propylene |
| Subwoofer Basket Material | Aluminum |
| Subwoofer Surround Material | Rubber |
| Subwoofer Mounting Depth | 4" |
