**Apple CarPlay**

The INE-W970HD “Works with Apple CarPlay®” and lets iPhone users make and receive calls, access text messages, play music, and get directions in a way that allows them to stay focused on the road. Apple CarPlay® is accessed through the WVGA touchscreen and is compatible with iPhone 5 and later (iPhone must be connected via USB input).

**Android Auto**

The INE-W970HD includes Android Auto™ and works with the Google Assistant (requires both a USB cable and Bluetooth® connection; requires an Android™ phone running 5.0 [Lollipop] or higher and the Android Auto™ app). Google Assistant in Android Auto™ allows users to play their favorite music, get driving directions to their destination, interact with smart home devices and reply to text messages – hands-free.

**MORE FEATURES, MORE FUN!**

More than just a way to get to your next adventure, the INE-W970HD Navigation Receiver comes loaded with features to make every drive exciting.

Listen to your music, answer calls, respond to texts, and get directions hands-free with Apple CarPlay™ and Android Auto™. Connect your smartphone via a USB input (additional Bluetooth® connection required for Android Auto™).

Keep your eyes on the road and hands on the wheel with the INE-W970HD’s built-in Bluetooth® hands-free calling and streaming. The external pre-tuned microphone reduces noise interference and feedback for the best sound quality possible, so you can stay focused on your drive.

Now there are even more ways to listen to your favorite music with the INE-W970HD’s built-in HD Radio™ and SiriusXM™ capable (tuner and subscription required). The INE-W970HD also comes with a built-in DVD and CD mechanism and included HDMI input for non-stop entertainment (HDMI cable sold separately).
