Viper 2-Way LCD Remote

Description

Brand NEW Viper 7351V 2-way LC2 Remote Control Replacement Transmitter

Looking for a replacement Viper remote control for your system or just need an additional remote control? Buy brand new from Access 1 Alarm and Audio!

This remote control is from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Viper system. The 7351V remote control has a built in lithium-ion rechargeable battery with USB charging. This remote works with many Viper, Python and Clifford systems.

Works with the following Viper systems:

- 5301
- 3203
- 3303
- 5701

Works with the following Clifford & Python systems:

- 20.5X
- Python 333
- Clifford 330.3X

*******Need the USB charging cable? Make sure you include it in your order to save money.*******

NOTE: Consider purchasing with a leather case to help protect your remote control from accidental drops. View our Leather Cases also available in our store.

Please make sure you have a working control unit installed in the vehicle prior to ordering this remote control. Programming instructions are included in the package and will require accessing your valet/programming switch. Video instructions will be available on our YouTube page under remote controls.
