Short Description
Alpine Weather-Resistant 1” Component Tweeters for 2007 – Up Jeep Wrangler and Jeep Gladiator

Description
Alpine Weather-Resistant 1” Component Tweeters for 2007 – Up Jeep Wrangler and Jeep Gladiator

Whether you’re driving with the top on or off, the Alpine SPV-10TW-WRA captures the high frequencies so you can experience music detail even over the wind and traffic noise. Plus, the weather-resistant tweeters ensure an uninterrupted music experience no matter the driving conditions.

The Alpine SPV-10TW-WRA utilizes the factory speaker locations on the 2007 – Up Jeep® Wrangler and Jeep® Gladiator and includes vehicle-specific harnesses and connectors for a true plug-and-play installation experience.

FEATURES

- Weather-Resistant 1” Component Tweeters
- Teteron 1" dome tweeters
- Utilizes Factory Locations and Vehicle-specific Harnesses/Connectors
- Crossover with two tweeter level output options: 0dB (flat) for “Tombstone” on-axis applications and +3dB for in-dash off-axis applications
- Compatible with 2007 – Up Jeep Wrangler and Jeep Gladiator
- Power rating: 75W RMS/225W peak
- Frequency Response: 2kHz - 22kHz
- Nominal impedance: 4?
