## Short Description

Viper 2-Way LED With Rechargeable Battery

## Description

**Brand NEW Viper 7858V Rechargeable Battery 2-Way, 1-Mile Range LED Remote Control Transmitter**

Upgrade your Viper security or security with remote start system with the newly redesigned Viper 7858V 2-Way LED remote control, built to pair seamlessly with the latest Viper 5808V Security with Remote Start system and the Digital DS3 - DS4 Systems.

This sleek new design features a slimmer profile for enhanced comfort and convenience, along with an upgraded USB-C charging port for improved reliability and longevity. The intuitive layout places the remote buttons on the right for quick access, while the LED command confirming LED's are conveniently located on the left side of the buttons for a streamlined user experience.

Whether you're replacing a lost remote or adding an extra for convenience, the 7858V is the perfect solution. Shop with confidence at Access 1 Alarm and Audio — where you'll receive a brand-new, GENUINE remote control direct from the original manufacturer. No knock-offs. No reprogrammed returns. Just authentic Viper quality.
