Short Description
Viper 1-Way Remote Control

Description

Introducing The NEW Viper 7147V 1-Way Remote Control Transmitter Replacing The Viper 7142V, 7145V and 7146V Remote Controls.

Upgrade your Viper security with remote start system with the newly redesigned Viper 7147V 1-Way remote control, built to pair seamlessly with the latest Viper Security with Remote Start system along with the Digital DS3 - DS4 Systems.

The new Viper 7147V remote features a sleek, slimmed-down design for enhanced comfort and everyday convenience. It’s built to last, with a reinforced key ring that resists breakage and a screw-secured case for improved durability and long-term reliability. The intuitive button layout, positioned on the right side, offers quick, effortless access—delivering a more streamlined and user-friendly experience.

Whether you’re replacing a lost remote or adding an extra for convenience, the 7147V is the perfect solution. Shop with confidence at Access 1 Alarm and Audio — where you'll receive a brand-new, **GENUINE** remote control direct from the original manufacturer. No knock-offs. No reprogrammed returns. Just authentic Viper quality.
