Short Description
DISCONTINUED 2-Way LED Remote Control

Description
Introducing The NEW Viper 7858V 2-way LED Remote Control Transmitter Replacing The Discontinued AstroStart 2625D-TX

Upgrade your AstroStart security or security with remote start system with this newly redesigned Viper 7858V 2-Way LED remote control, built to pair seamlessly with the latest AstroStart systems including the Digital DS3 - DS4 Systems.

This sleek new design features a slimmer profile for enhanced comfort and convenience, along with an upgraded USB-C charging port for improved reliability and longevity. The intuitive layout places the remote buttons on the right for quick access, while the LED command confirming LED's are conveniently located on the left side of the buttons for a streamlined user experience.

Why buy from us? Well, we are the experts that only believe in perfection, from the quality of our images to the accurate description in each and every listing.

Whether you’re replacing a lost remote or adding an extra for convenience, the 7858V is

the perfect solution. Shop with confidence at Access 1 Alarm and Audio — where you'll receive a brand-new, GENUINE remote control direct from the original manufacturer. No knock-offs. No reprogrammed returns. Just authentic Viper quality.
