Description

MERCEDES-BENZ C CLASS • 2015–2018

For KeylessGo push-to-start vehicles. Professionally installed in Cleveland, Ohio.

Remote start your 2015–2018 Mercedes-Benz C Class with the factory key you already carry. Give the cabin time to warm up during a Cleveland winter or begin cooling before a summer drive, with temperature-based control of compatible factory comfort features.

KeylessGo Required • Spare Key Required

Only for vehicles equipped with KeylessGo push-to-start. If your C Class does not have push-to-start, we currently have no solution for this application.

You must supply a working spare factory key. This key is dedicated to the remote start installation and is no longer available as your everyday spare. Please confirm your key and vehicle configuration with us before booking.

FACTORY KEY CONTROL Panic button or lock-unlock-lock activation.
AUTOMATIC COMFORT Temperature-based heated/cooled seat and defroster activation.
INSTALLATION INCLUDED $1,499.99 at our Cleveland shop.

Designed Around Your Mercedes-Benz

- **Factory-key operation:** Activate remote start using the Panic button or lock-unlock-lock sequence on your existing fob.
- **Heated seats:** Automatically activate compatible OEM heated seats based on a programmable outside-temperature threshold.
- **Cooled seats:** Automatically activate compatible OEM cooled seats based on a programmable outside-temperature threshold.
- **Rear defroster:** Activate automatically at the programmed outside-temperature threshold.
- **Convenient programming:** Steering-wheel controls allow adjustment of supported settings such as run time, comfort-feature temperature thresholds, light flashes and timer start.
- **SmartStart compatible:** Add Directed / Viper SmartStart for cellular smartphone control and supported alarm notifications.

Comfort functions require the corresponding factory equipment. Available controls and notifications depend on the vehicle configuration, installed hardware and selected service

plan. Factory-key range depends on your original remote and surroundings.

$1,499.99 Installed

Includes the SKS-C-205 system, required harnesses, programming and professional installation. Operates with your existing factory key fob; additional handheld remotes are not included. **A working spare factory key must be supplied by you.**

Available Smartphone Upgrade

Directed / Viper SmartStart +$200

Add cellular smartphone control for virtually unlimited range. Start your vehicle from virtually anywhere in the world with an active service plan, phone internet access and compatible cellular coverage at the vehicle. Supported alarm notifications require compatible installed equipment. Cellular service is separate from the installed package. Ask to add SmartStart when booking.

Installation & Warranty

Professionally installed, programmed and tested at **Access 1 Alarm & Audio, 10418 Lorain Ave, Cleveland, OH 44111**. Includes a **5-year system warranty** and installation labor coverage **for as long as you own the vehicle**. Existing factory keys, optional cellular hardware and cellular services have separate coverage and terms.

Frequently Asked Questions

Will this work with my 2015-2018 C Class?

This package is for compatible 2015-2018 Mercedes-Benz C Class vehicles equipped with KeylessGo push-to-start. We confirm your exact vehicle, factory equipment and key compatibility before scheduling.

What if my vehicle does not have push-to-start?

There is currently no solution available from us for this application without KeylessGo

push-to-start. This package cannot be installed on a conventional keyed-start vehicle.

Do I need to give up a spare key?

Yes. You must supply a working spare factory key for the installation. That key is dedicated to the remote start installation and will no longer be available as your everyday spare.

How do I activate remote start?

Use the Panic button or the lock-unlock-lock sequence on your factory key fob. We demonstrate the configured activation procedure at pickup. Factory-key range depends on the original remote and surroundings.

Can it activate my heated or cooled seats?

Yes, on vehicles equipped with compatible OEM heated or cooled seats. Heated seats, cooled seats and the rear defroster can activate according to programmable outside-temperature thresholds.

Can I control it from my phone?

Optional Directed / Viper SmartStart smartphone control is available for an additional $200. An active service plan, phone internet access and compatible cellular coverage at the vehicle are required.

Does $1,499.99 include installation?

Yes. It includes the SKS-C-205 remote start system, required installation harnesses, programming and professional installation at Access 1 Alarm & Audio in Cleveland, Ohio. You must provide a working spare factory key.

What warranty is included?

The remote start system has a 5-year warranty, with installation labor covered for as long as you own the vehicle. Your existing factory keys and optional cellular hardware or

service have separate coverage and terms.
