Price: $1,399.99

Short Description
2017–2023 Mercedes-Benz E Class factory-key remote start. $1,399.99 professionally installed in Cleveland. A working extra factory key must be supplied. **No ignition-switch modification required. Not compatible with hybrid vehicles.** Optional SmartStart smartphone control is available.

Description
MERCEDES-BENZ E CLASS • 2017–2023

For KeylessGo push-to-start vehicles. Professionally installed in Cleveland, Ohio.

Remote start your 2017–2023 Mercedes-Benz E Class with the factory key you already carry. Give the cabin time to warm up during a Cleveland winter or begin cooling before a summer drive, with temperature-based control of compatible factory comfort features.

Spare Key Required • Not Compatible with Hybrids

Hybrid vehicles are not supported. No ignition-switch modification is required. Confirm your engine, ignition and factory equipment with us before installation.

Only for vehicles equipped with KeylessGo push-to-start. If your E Class does not have push-to-start, we currently have no solution for this application.

You must supply a working spare factory key. This key is dedicated to the remote start installation and is no longer available as your everyday spare. Please confirm your key and vehicle configuration with us before booking.

FACTORY KEY CONTROL

Panic button or lock-unlock-lock activation.

AUTOMATIC COMFORT

Temperature-based heated seat and defroster activation.

INSTALLATION INCLUDED

$1,399.99 at our Cleveland shop.

Designed Around Your Mercedes-Benz

- **100% plug-and-play integration:** Vehicle-specific connections designed to integrate with your Mercedes-Benz factory electronics.
- **Extended-range flexibility:** Compatible Directed RF remotes can be added for greater range. Ask us to confirm remote and interface compatibility; additional equipment is separate.
- **Anti-theft / anti-carjacking capability:** Smartphone operation requires a compatible SmartStart interface and active service. Ask us to explain the feature and vehicle-specific limitations at installation.
- **Factory-key operation:** Activate remote start using the Panic button or lock-unlock-lock sequence on your existing fob.
- **Heated seats:** Automatically activate compatible OEM heated seats based on a programmable outside-temperature threshold.
- **Rear defroster:** Automatically activates at an outside temperature of 32°F.
- **Convenient programming:** Steering-wheel controls let you adjust supported settings including run time, number of starts, heated-seat temperature threshold and light flashes.

- **SmartStart compatible:** Add Directed / Viper SmartStart for cellular smartphone control and supported alarm notifications.

Comfort functions require the corresponding factory equipment. Available controls and notifications depend on the vehicle configuration, installed hardware and selected service plan. Factory-key range depends on your original remote and surroundings.

$1,399.99 Installed

Includes the SKS-E-213 system, required harnesses, programming and professional installation. Operates with your existing factory key fob; additional handheld remotes are not included. **A working spare factory key must be supplied by you.**

Available Smartphone Upgrade

Directed / Viper SmartStart +$200

Add cellular smartphone control for virtually unlimited range. Start your vehicle from virtually anywhere in the world with an active service plan, phone internet access and compatible cellular coverage at the vehicle. Supported alarm notifications require compatible installed equipment. Cellular service is separate from the installed package. Ask to add SmartStart when booking.

Installation & Warranty

Professionally installed, programmed and tested at **Access 1 Alarm & Audio, 10418 Lorain Ave, Cleveland, OH 44111**. Includes a **5-year system warranty** and installation labor coverage **for as long as you own the vehicle**. Existing factory keys, optional cellular hardware and cellular services have separate coverage and terms.

Frequently Asked Questions

Does this package require ignition-switch modification?

No. Ignition-switch modification is not required for this package. You must supply a working extra factory key dedicated to the installation. This package is not compatible with hybrid vehicles.

Does this work on hybrid vehicles?

No. These remote start packages are not compatible with hybrid vehicles. A working spare factory key must be supplied for supported non-hybrid applications.

Will this work with my 2017-2023 E Class?

This package is for compatible 2017-2023 Mercedes-Benz E Class vehicles equipped with KeylessGo push-to-start. We confirm your exact vehicle, factory equipment and key compatibility before scheduling.

What if my vehicle does not have push-to-start?

There is currently no solution available from us for this application without KeylessGo push-to-start. This package cannot be installed on a conventional keyed-start vehicle.

Do I need to give up a spare key?

Yes. You must supply a working spare factory key for the installation. That key is dedicated to the remote start installation and will no longer be available as your everyday spare.

How do I activate remote start?

Use the Panic button or the lock-unlock-lock sequence on your factory key fob. We demonstrate the configured activation procedure at pickup. Factory-key range depends on the original remote and surroundings.

How do the heated seats and rear defroster activate?

Compatible factory heated seats activate according to a programmable outside-temperature threshold. The rear defroster activates at an outside temperature of 32°F.

Can I control it from my phone?

Optional Directed / Viper SmartStart smartphone control is available for an additional $200. An active service plan, phone internet access and compatible cellular coverage at the vehicle are required.

Does $1,399.99 include installation?

Yes. It includes the SKS-E-213 remote start system, required installation harnesses, programming and professional installation at Access 1 Alarm & Audio in Cleveland, Ohio. You must provide a working spare factory key.

What warranty is included?

The remote start system has a 5-year warranty, with installation labor covered for as long as you own the vehicle. Your existing factory keys and optional cellular hardware or service have separate coverage and terms.

Call to confirm your **2017–2023 Mercedes-Benz E Class KeylessGo** configuration and spare-key requirements, then schedule installation at **10418 Lorain Ave, Cleveland, OH 44111.**
