Avital LCD 2-Way Remote

Description

Brand NEW Avital 7352L 2-Way 5-Button LCD Remote Control Replacement Transmitter

Looking for a replacement Avital remote control for your system or just need an additional remote control? Buy brand new from Access 1 Alarm and Audio!

Avital's 5-button LCD remote control transmitter comes with rubberized buttons and a blue back-lit display. This sophisticated 2-Way remote control features a clean sleek ergonomic design, made to fit the user's hand comfortably, enabling effortless and intuitive single-handed operation.

This remote control is from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Avital system.

This will replace the Avital 7352L and 477L remote controls and will work for the Hornet 477T, Automate 477A and Python 477P

Works with the following Avital Avistart and security systems:

- 5303
- 4400
- 3300

Will work with the following Python systems

- 533

Will work with the following Hornet systems

- 554T
- 564T
- 745T

Will work with the following Automate systems

- AM9

We have the protective leather case for this remote control and is listed in our store

Please make sure you have a working control unit installed in the vehicle prior to ordering this remote control. Programming instructions are included in the package and will require accessing your valet/programming switch. Video instructions will be available on our YouTube page under remote controls.

Do you need the valet switch? Please add the valet switch to your order if you are not sure.
