2014 Mercedes-Benz GLA Class Smartphone Viper GPS SmartStart System

Brand: Viper
Product Code: SKS-GLA-156-GPS
Stock: 5
UPC: SKSNG166D3
MPN: SKS-GLA-156-GPS
Location: Cleveland, OH

Price: $1,199.99

Short Description

2014 Mercedes-Benz GLA Class remote start — no spare key sacrificed. Use your factory Panic button or lock-unlock-lock sequence. Temperature-based heated-seat and rear-defroster activation, plus steering-wheel programming. Includes the VSM550 Pro Viper SmartStart interface; cellular service is separate. Professional installation in Cleveland.

Description

MERCEDES-BENZ GLA CLASS • 2014

No spare key sacrificed. Professionally installed in Cleveland, Ohio.

Remote start your 2014 Mercedes-Benz GLA Class before you step outside. Warm the cabin on cold mornings or begin cooling before a summer drive, using the factory remote you already carry or the included Directed / Viper SmartStart smartphone interface.

Keep All Your Factory Keys

No spare key is required or sacrificed. No factory key is permanently left inside the

vehicle for this installation.

FACTORY FOB CONTROL

Panic button or lock-unlock-lock activation, configured at installation.

AUTOMATIC COMFORT

Compatible factory heated seats and rear defroster respond to programmable outside-temperature settings.

STEERING-WHEEL PROGRAMMING

Adjust supported run time, number of starts, heated-seat threshold and light flashes.

Built Around Your Mercedes-Benz

- **Factory-key convenience:** Start and stop through the configured factory-fob command.
- **Temperature-based comfort:** Automatically activate compatible factory heated seats and the rear defroster using programmable outside-temperature settings.
- **Personalized operation:** User-friendly programming through the steering-wheel controls for run time, number of starts, heated-seat temperature threshold and light flashes.
- **Factory integration:** Vehicle-specific harnesses integrate with the original electronics without cutting factory wires.
- **Directed / Viper SmartStart support:** VSM550 Pro interface included for compatible smartphone commands, vehicle status and GPS features according to installed equipment and service plan.

Comfort features require the corresponding factory equipment. Available settings depend on the vehicle configuration. Factory-fob range depends on the original remote and surroundings. Smartphone control requires active cellular service, compatible coverage at the vehicle and internet access on the phone.

$1,199.99 Installed

Includes SKS-GLA-156-GPS, required harnesses, programming and professional installation, plus the VSM550 Pro cellular smartphone interface. No factory key is sacrificed. **SmartStart cellular service is separate.** Additional handheld remotes are not included.

Free Roadside Assistance

Included with Secure and GPS Premium. Pre-register with Viper Motor Club to request help by phone or through the SmartStart Pro app. Assistance is available 24/7 in the U.S. and Canada and includes towing, battery, flat tire and lockout help, plus emergency delivery of fuel or fluids. Viper Motor Club terms apply.

Compare SmartStart Service Plans

Service is separate from the $1,199.99 installed package. After the free Basic year, choose Secure or GPS Premium to continue cellular service.

Frequently Asked Questions

Do I have to give up a spare key?

No. No factory key is sacrificed or permanently left in the vehicle for this installation.

How do I start it with my factory remote?

Use the factory Panic button or the lock-unlock-lock sequence, according to the configuration demonstrated at installation. Factory-remote range remains dependent on the original fob and surroundings.

Can it turn on the heated seats and rear defroster?

Yes. Compatible factory heated seats and the rear defroster can activate automatically based on programmable outside-temperature settings. The vehicle must have the corresponding factory equipment.

Can I adjust the remote-start settings?

Yes. Supported settings can be programmed through the steering-wheel controls, including run time, number of starts, heated-seat temperature threshold and light flashes. We demonstrate these controls at installation.

What does professional installation include?

The remote-start system, required vehicle-specific harnesses, programming and professional installation at Access 1 Alarm & Audio in Cleveland, Ohio.

What warranty is included?

The system carries a 5-year warranty. The VSM550 Pro interface, when supplied, carries a 1-year warranty. Installation labor is covered for as long as the original purchaser owns the vehicle. Existing factory keys are not newly supplied remotes.

Can I control my GLA Class from my phone?

Yes. The included VSM550 Pro Directed / Viper SmartStart interface supports

compatible phone commands. Active service, phone internet access and compatible cellular coverage are required. GPS location and alerts depend on the selected plan and installed equipment.

Confirm your exact vehicle and factory equipment, then schedule your installation.
