2007-2018 Mercedes-Benz Sprinter Basic Smartphone Viper GPS SmartStart System

Brand: Viper
Product Code: SKS-SPRINTER-906-GPS
Stock: 5
UPC: SKSNG906
MPN: SKS-SPRINTER-906-GPS
Location: Cleveland, OH

Price: $1,099.99

Short Description

2007–2018 Mercedes-Benz Sprinter remote start with VSM550 Pro SmartStart — $1,099.99 professionally installed in Cleveland. No spare key or ignition-switch modification required. Includes external siren, LED and DAS II security sensor. Very limited factory-fob range: an external control device is recommended. Built-in high-idle option for 6-cylinder engines; 4-cylinder applications need extra parts. Ideal options for RV owners and work vans. Cellular service is separate.

Description

MERCEDES-BENZ SPRINTER • 2007–2018

VSM550 Pro SmartStart included. Professionally installed in Cleveland, Ohio.

Remote start your 2007–2018 Mercedes-Benz Sprinter from your smartphone or with the factory key you already carry. The included VSM550 Pro offers virtually unlimited cellular control range from virtually anywhere in the world, with an active plan, phone internet access and compatible cellular coverage at the vehicle. Give the cabin time to warm up during a Cleveland winter or begin cooling before a summer drive, with temperature-based control of compatible factory comfort features.

No Spare Key or Ignition Modification Required

Keep all of your factory keys. No spare key needs to be sacrificed, and no ignition-switch modification is required.

FACTORY KEY CONTROL lock-unlock-lock activation.
AUTOMATIC COMFORT Temperature-based heated seat and defroster activation.
INSTALLATION INCLUDED $1,099.99 at our Cleveland shop.

High Idle for RV Owners & Work Vans

A high-idle module option is built in for all 6-cylinder engines. 4-cylinder applications require extra parts. Confirm engine type, configuration and required accessories before booking.

- Automatically activate high idle after remote start.
- Turn automatic high idle on or off with an optional switch, and turn high idle off on demand.
- A start/stop trigger supports automatic starting and stopping from a compatible external source, such as a house-battery monitor with a relay.
- Support house-battery charging with automatic start and high idle for faster charging, where the vehicle charging system and battery installation support it.

Battery-monitor integration, optional switch, relay, 4-cylinder parts and any charging-system upgrades must be confirmed separately. Charging performance depends on the alternator, battery system and electrical loads. Automatic engine operation requires appropriate installation safeguards and use outdoors with adequate ventilation.

Designed Around Your Sprinter

- **Full security included:** External siren, LED indicator and DAS II digital security sensor for shock, tilt, glass-break and tow protection.
- **Factory-key operation:** Works with the lock-unlock-lock sequence. The Sprinter factory fob has very limited range; an external control device is recommended for remote starting.
- **Extended-range options:** Compatible RF remotes and required interfaces can be added. AM remotes are not compatible.
- **Smartphone integration:** Directed / Viper SmartStart supports available start/stop, lock/unlock, optional immobilization, vehicle status, GPS location and alarm notifications according to compatible installed hardware and service plan.
- **Anti-theft / anti-carjacking capability:** Included capability requires compatible SmartStart hardware and active service to operate. We confirm vehicle compatibility and demonstrate its configured operation and limitations at installation.
- **Automatic comfort:** Supports heated-seat and rear-defroster activation based on outside temperature when compatible factory equipment is fitted.
- **Stalk programming:** Adjust supported settings such as run time, number of starts, light flashes and immobilizer settings.
- **Vehicle-specific integration:** Required harnesses, programming, testing and professional installation. Factory warranty coverage follows the vehicle manufacturer’s terms.

Available functions depend on vehicle equipment and system configuration. Additional remotes and accessories are separate unless specifically listed as included.

$1,099.99 Installed

Includes the SKS-SPRINTER-906-GPS remote start system, VSM550 Pro smartphone interface, required harnesses, programming and professional installation. SmartStart cellular service is separate. Operates with your existing factory key fob; additional handheld remotes are not included. **No spare key is sacrificed.**

Free Roadside Assistance

Included with Secure and GPS Premium. Pre-register with Viper Motor Club to request help by phone or through the SmartStart Pro app. Assistance is available 24/7 in the U.S. and Canada and includes towing, battery, flat tire and lockout help, plus emergency

delivery of fuel or fluids. Viper Motor Club terms apply.

Compare SmartStart Service Plans

Service is separate from the $1,099.99 installed package. After the free Basic year, choose Secure or GPS Premium to continue cellular service.

Installation & Warranty

Professionally installed, programmed and tested at **Access 1 Alarm & Audio, 10418 Lorain Ave, Cleveland, OH 44111**. Includes a **5-year system warranty** and installation labor coverage **for as long as you own the vehicle**. The VSM550 Pro smartphone interface is covered for **1 year**. Existing factory keys and cellular service have separate terms.

Frequently Asked Questions

Is a spare key or ignition-switch modification required?

No. This Sprinter package does not require sacrificing a spare factory key or modifying the ignition switch.

What security equipment is included?

The package includes full security with an external siren, LED indicator and DAS II digital sensor supporting shock, tilt, glass-break and tow protection.

How do I activate remote start?

Use lock-unlock-lock on the factory key. Factory-fob range is very limited on this vehicle, so an external control device is recommended. Compatible RF remotes can be added; AM remotes are not compatible.

Is SmartStart included?

Yes. The VSM550 Pro interface is included. An active service plan, phone internet access and compatible vehicle cellular coverage are required. Cellular service is separate.

Does the high-idle option support my engine?

The high-idle module option is built in for all 6-cylinder engines. 4-cylinder applications require extra parts. We confirm engine type and the required configuration before installation.

Can this help charge RV house batteries?

Yes, with compatible charging equipment and professionally configured integration. A battery monitor with a relay can use the start/stop trigger for automatic engine operation. High idle can activate after remote start for faster charging and can be disabled on demand or controlled with an optional switch. Required accessories are confirmed separately; charging performance depends on the vehicle and battery system.

What comfort and programming features are supported?

Compatible factory heated seats and rear defroster can activate based on outside temperature. Supported stalk adjustments include run time, number of starts, light flashes and immobilizer settings.

How is the anti-carjacking capability operated?

Compatible Directed / Viper SmartStart hardware, active service and cellular coverage are required. We demonstrate the configured operation and limitations at installation.

Does $1,099.99 include installation?

Yes. The remote start system, included security equipment, required harnesses, programming and professional installation are included. VSM550 Pro SmartStart is included; cellular service is separate.

Are fleet and family GPS plans available?

Yes. See the Fleet & Family Plans tab for annual GPS service comparisons, and the consumer comparison for Basic, Secure and GPS Premium service. Features depend on compatible installed hardware, coverage and plan.

What warranty is included?

The installed system has a 5-year warranty, and installation labor is covered for as long as the original purchaser owns the vehicle. VSM550 Pro has a 1-year warranty when supplied. Cellular service and separately purchased accessories have their own terms.

Warranty

Warranty & Return Policy

Please review the coverage, requirements and exclusions below for the 2007–2018 Mercedes-Benz Sprinter SKS-SPRINTER-906-GPS remote start package purchased and professionally installed by Access 1 Alarm & Audio.

Keep your receipt: A valid Access 1 sales receipt or invoice is required for warranty claims and any return, exchange or store credit consideration.

All sales are final. Any exceptions are subject to the conditions below and management's discretion.

Remote Start System & VSM550 Pro Coverage

The Mercedes-Benz Sprinter SKS-SPRINTER-906-GPS remote start package purchased and professionally installed by Access 1 Alarm & Audio includes:

- **Five (5) years of system warranty coverage.**
- **One (1) year of warranty coverage on the VSM550 Pro smartphone interface.**
- **Lifetime installation labor warranty**, subject to the ownership and installation conditions below.

A valid Access 1 Alarm & Audio sales receipt or invoice documenting your purchase and installation is required. The exclusions and proof-of-purchase requirements below apply.

Lifetime Installation Labor Warranty

Installation labor is warranted for **as long as the original purchaser owns the vehicle**, provided the installation has not been altered, modified, tampered with, serviced, or

repaired by any person or business other than Access 1 Alarm & Audio.

Lifetime labor coverage applies to the installation; it does not extend the five-year system warranty or one-year VSM550 Pro smartphone interface warranty.

Returns and Exchanges

All sales are final. Access 1 Alarm & Audio does not accept returns on over-the-counter purchases.

Products determined by management to have been incorrectly sold, damaged upon receipt, or defective may be eligible for store credit at management's sole discretion.

Opened, used, installed, programmed, modified, custom ordered, or special-order products are not eligible for return. In certain circumstances, management may authorize store credit for opened merchandise, subject to inspection and a **minimum 25% restocking fee**.

Proof of Purchase Required

A valid Access 1 Alarm & Audio sales receipt or invoice is required for all warranty claims, labor warranty requests, exchanges, returns, and store credit considerations.

Customers are responsible for retaining their original proof of purchase. Access 1 Alarm & Audio is not responsible for lost, misplaced, damaged, destroyed, or unavailable receipts.

Warranty coverage, labor warranty coverage, exchanges, returns, and any discretionary store credit may be denied if proof of purchase cannot be provided.

Warranty Exclusions

Warranty coverage does not apply to damage resulting from misuse, abuse, improper installation, accidents, neglect, water intrusion, theft, vandalism, fire, collision, electrical system defects, acts of nature, unauthorized repairs, modifications, or tampering after the vehicle leaves Access 1 Alarm & Audio.

Access 1 Alarm & Audio is not responsible for damage caused by other service facilities, vehicle manufacturers, dealerships, body shops, repair shops, or any person performing work on the vehicle after installation.

Manufacturer warranties are subject to the terms and conditions established by the manufacturer and may vary by product.

Requesting Warranty Service

Contact Access 1 Alarm & Audio with your sales receipt or invoice and a description of the concern so we can arrange an inspection and review the applicable coverage.

Call (216) 252-3000 or visit **10418 Lorain Ave, Cleveland, OH 44111**.

> *Warranty policies are subject to change without notice.*
