Description

VIPER DS4 SECURITY | CHEVROLET TRAVERSE

Protect your Chevrolet Traverse with a Viper DS4 security system. The included digital 2-stage shock/impact sensor detects disturbances, while the digital tilt sensor detects lifting or changes in vehicle angle that can indicate wheel removal or towing. Arm and disarm the system using the included Viper remotes, with lock, unlock and compatible trunk-release control. Depending on your Traverse’s factory equipment and configuration, the original factory key fob can also arm and disarm the Viper security

system. We’ll confirm factory-fob integration for your vehicle.

INCLUDED

Shock, Impact & Tilt

Digital sensors are part of the $449.99 installed package.

INCLUDED

Two Viper 7147V Remotes

Two 4-button 1-way remotes with up to 1/4-mile rated range.

INCLUDED

Frequently Asked Questions

What is included in the $449.99 installed price?

The Viper DS4 security system, a digital 2-stage shock/impact sensor, digital tilt sensor, two 7147V 4-button 1-way remotes with up to 1/4-mile rated range, and professional installation in Cleveland, Ohio. Confirm vehicle-specific requirements before booking. The system uses the factory horn for warn-away alerts, full-alarm sounding, and confirmation chirps.

What are the starter kill and push-button inhibit options?

Starter kill is an optional $79.99 add-on. The push-button inhibit switch is a distinct optional add-on at $149.99. Starter kill is not included for push-to-start vehicles. We'll confirm the appropriate option and installation requirements for your Traverse.

Can I upgrade the included remote controls?

Yes. Choose a 1-way 1/2-mile remote upgrade for an additional $99.99, a 1-mile 2-way LED upgrade for $149.99, a 1-mile 2-way LCD upgrade for $199.99, or a 3-mile remote upgrade for $249.99. Actual range varies with surroundings and interference.

Can I control the security system from my phone?

Nearby Bluetooth smartphone control is included through the Viper SmartStart app, with a range of less than 50 feet. For cellular control, add the optional VSM550 SmartStart module for $199.99 and an active service plan. You can then control supported security functions from virtually anywhere in the world, provided your phone has internet access and the vehicle has compatible cellular coverage.

How does the tilt sensor help protect my wheels or alert to towing?

The included digital tilt sensor detects changes in the vehicle’s angle, which can occur when it is lifted for wheel removal or towing. The shock/impact sensor detects disturbances, and the system uses the factory horn for warn-away alerts, full-alarm sounding and confirmation chirps.

Can my factory key fob control the Viper security system?

On Traverses with compatible factory equipment and configuration, the factory key fob can also arm and disarm the Viper DS4 security system. We’ll confirm this integration for your vehicle before installation.

What warranty comes with this security system?

The system is covered for 5 years, the remote controls for 1 year, and installation labor for as long as you own the vehicle. See the Warranty tab for coverage details.

Warranty

Warranty & Return Policy

Please review the coverage, requirements and exclusions below for the Chevrolet Traverse Viper DS4 security package purchased and professionally installed by Access 1 Alarm & Audio.

Keep your receipt: A valid Access 1 sales receipt or invoice is required for warranty claims and any return, exchange or store credit consideration.

All sales are final. Any exceptions are subject to the conditions below and management's discretion.

Viper DS4 security System & Remote Control Coverage

The Chevrolet Traverse Viper DS4 security package purchased and professionally installed by Access 1 Alarm & Audio includes:

- **Five (5) years of system warranty coverage.**
- **One (1) year of remote control warranty coverage.**
- **Lifetime installation labor warranty**, subject to the ownership and installation conditions below.

A valid Access 1 Alarm & Audio sales receipt or invoice documenting your purchase and installation is required. The exclusions and proof-of-purchase requirements below apply.

Lifetime Installation Labor Warranty

Installation labor is warranted for **as long as the original purchaser owns the vehicle**, provided the installation has not been altered, modified, tampered with, serviced, or

repaired by any person or business other than Access 1 Alarm & Audio.

Lifetime labor coverage applies to the installation; it does not extend the five-year system warranty or one-year remote control warranty.

Returns and Exchanges

All sales are final. Access 1 Alarm & Audio does not accept returns on over-the-counter purchases.

Products determined by management to have been incorrectly sold, damaged upon receipt, or defective may be eligible for store credit at management's sole discretion.

Opened, used, installed, programmed, modified, custom ordered, or special-order products are not eligible for return. In certain circumstances, management may authorize store credit for opened merchandise, subject to inspection and a **minimum 25% restocking fee**.

Proof of Purchase Required

A valid Access 1 Alarm & Audio sales receipt or invoice is required for all warranty claims, labor warranty requests, exchanges, returns, and store credit considerations.

Customers are responsible for retaining their original proof of purchase. Access 1 Alarm & Audio is not responsible for lost, misplaced, damaged, destroyed, or unavailable receipts.

Warranty coverage, labor warranty coverage, exchanges, returns, and any discretionary store credit may be denied if proof of purchase cannot be provided.

Warranty Exclusions

Warranty coverage does not apply to damage resulting from misuse, abuse, improper installation, accidents, neglect, water intrusion, theft, vandalism, fire, collision, electrical system defects, acts of nature, unauthorized repairs, modifications, or tampering after the vehicle leaves Access 1 Alarm & Audio.

Access 1 Alarm & Audio is not responsible for damage caused by other service facilities, vehicle manufacturers, dealerships, body shops, repair shops, or any person performing work on the vehicle after installation.

Manufacturer warranties are subject to the terms and conditions established by the manufacturer and may vary by product.

Requesting Warranty Service

Contact Access 1 Alarm & Audio with your sales receipt or invoice and a description of the concern so we can arrange an inspection and review the applicable coverage.
