Viper 2-Way LED Remote

Description

Brand NEW Viper 7254V 2-way LED 5-Button Remote Control Transmitter with 2000' Range

Replacement Viper 7254V 2-way 5-button LED remote control for the Viper 3203V, 4204V and the 5204V Systems. Also the 4208V, 4202V, 5202V and the 9251VL Viper models are covered that comes standard with the 7251V remote controls. This remote control is the new replacement for the 7251V that was discontinued several years ago and fixes many of the issues that the 7251V users experienced. This remote control will further work with the Python and Clifford compatible remote controls. Looking for a replacement Viper remote control for your system or just need an additional remote control? Buy brand new from Access 1 Alarm and Audio!

Viper's second generation LE 5-button remote control transmitter with rubberized black buttons. This slender & sophisticated 2-Way remote control features a clean sleek ergonomic design, made to fit the user's hand comfortably, enabling effortless and intuitive single-handed operation.

This remote control is from the original manufacturer ensuring that you are receiving a genuine NEW product made for your Viper system. This remote works with many Viper, Python and Clifford systems and can be used in place of the 7254P or 7254X
